

# The BAROMETER of the CÍRCULOS 2019 BUSINESS DYNAMISM

Business dynamism pillar in the Global Competitiveness Index (WEF) 2018-2019

## Spain ranking

36<sup>th</sup>

/ 140

OECD, advanced

OECD, less advanced

Spain

United States

Germany

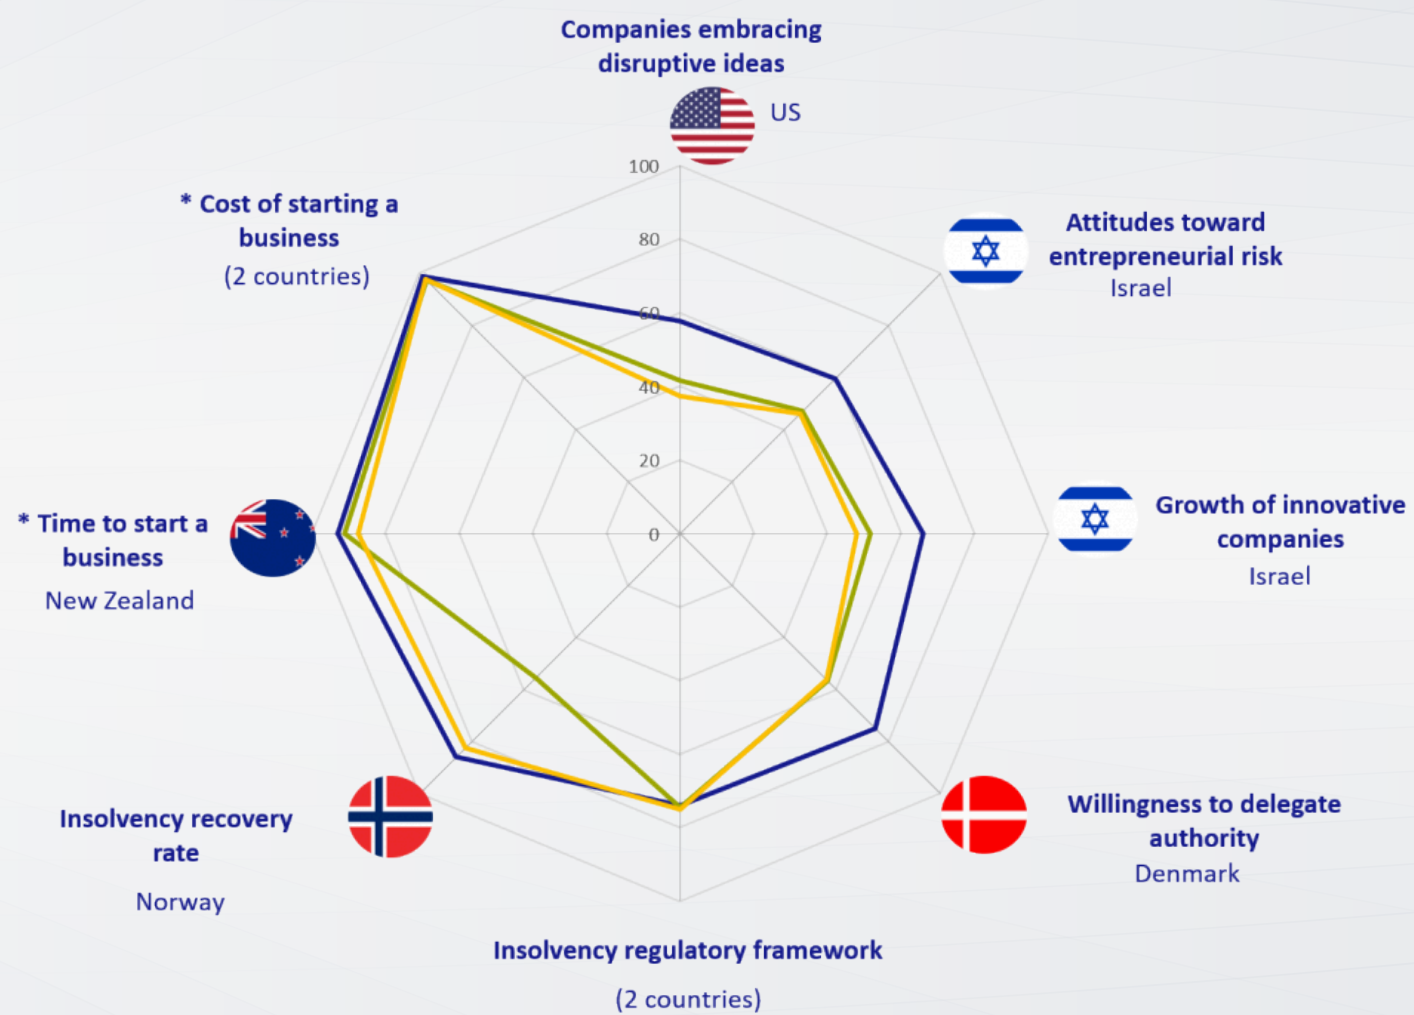

Netherlands

Sweden

Israel

Score (0-100) business dynamism pillar

\*The analysed countries are clustered within a narrow range of values, and therefore the score for Spain is close to the OECD average. However, Spain is ranked 81st in the pillar "Time to start a business" and 56th in "Cost of starting a business"

## Main takeaways

Create a favourable regulatory framework conducive to business growth and innovation

Enhance the social recognition of business owners

Increase entrepreneurship training at all levels of education
